BUILDING confidence

{confidence}

This is not about us. **IT'S ABOUT YOU.**
It's your chance to improve your purchasing experience and the way you do business. Maybe you're opening new stores or remodeling existing stores, or maybe you're looking for a way to display your products in every store with more style, more functionality, and more appeal. Try talking with us. Our experienced team leaders address every challenge with **INSPIRED IDEAS** and **EFFICIENT SOLUTIONS**, and we work continuously to improve quality, cost, and lead times. We're here to help you move forward.

IGS programs and capabilities

- new store programs
- remodel programs
- roll-out programs
- installation services
- existing store fixture replenishment programs
- customized inventory management systems
- logistics/consolidation planning

{ building it better }

BUILDING possibilities

{ possibilities }

At IGS, **YOUR SPECIFIC NEEDS** are what matter most. We work closely with each client to address one challenge at a time. Large roll-outs or modest remodels, integrated systems or stand-alone displays — each IGS store fixture solution is tailored to the job at hand. We can design and manufacture the fixtures you need, and our products and services will keep you **ON TRACK** and **WITHIN BUDGET** — whether your program involves 5 stores or 5,000.

IGS products

- laminate and melamine fixtures
 - wood and metal fixtures
 - point-of-purchase displays
 - sales and service counters
- cabinets, bins, and containers
- wall systems and gondolas
 - cashwraps
 - kiosks
- KD or fully assembled

BUILDING Innovation

{ innovation }

It's simply not enough to provide you with the store fixtures you need, when you need them, where you need them. IGS is also dedicated to making your fixtures better. By researching and implementing **NEW TECHNOLOGIES** and **MATERIALS**, we continuously improve our products and services. At the same time, we seek **INNOVATIONS** and **RESOURCES** that will help lower the costs of manufacturing.

IGS development services

- design services
- fixture development
- global sourcing
- prototyping
- value engineering
- materials and manufacturing processes
- product management teams

BUILDING
the future }

{ the future }

You don't have to choose us to develop and build your store fixtures, and we know it. That's why IGS believes in providing **EXCEPTIONAL CUSTOMER SERVICE** to our clients and partners. This is our way of offering you something more than you'll find elsewhere. With IGS, you can count on personalized care, customized solutions, and responsive project management. Together, we're **BUILDING THE FUTURE** — and we're **BUILDING IT BETTER.**

IGS customer service

- customized program development
- dedicated team account management
- on-site inspections and visits
- custom manifest and label programs
- step-by-step installation instructions and drawings
- fixture layouts and take-offs
- inventory management and reporting
- orders tracked through the manufacturing process

our history

{our history}

Founded in 1946 and incorporated in 1954, our company began as a family owned and operated regional manufacturer of custom wood store fixtures. Over the past decade, IGS Store Fixtures, Inc. has built on its strong reputation and grown under new ownership and management, becoming a highly respected source of custom fixtures and superior service for premier national chains. Our long tradition of fine craftsmanship and responsive creativity has dovetailed seamlessly with our pursuit of new technologies and manufacturing processes. Headquartered outside of Boston, MA, we strive continuously to build a better company — **BY BUILDING IT BETTER.**

IGS

building it better...for you
